**Part 9: Compensable Disease.**

Place a check next to the specified compensable disease that the person who became ill developed. If you are not sure which disease the claimant contracted, you may check more than one box.

If the claimant did NOT become ill with one of the diseases listed below, you are not eligible for compensation.

- [ ] Lung cancer (including any physiological condition of the lung, trachea, or bronchus that is recognized as "lung cancer")
- [ ] Silicosis
- [ ] Cor pulmonale related to fibrosis of the lung
- [ ] Pneumoconiosis
- [ ] Pulmonary fibrosis, fibrosis of the lung

**Part 10: Proof of Compensable Disease.** This part concerns records which can prove that the person identified in Part 2 became ill with lung cancer or a nonmalignant respiratory disease. Please choose one or more of the following methods to establish a diagnosis of lung cancer or a nonmalignant respiratory disease.

Did the person who became ill participate in a uranium miner study for either St. Mary's Hospital or the University of New Mexico School of Medicine?

- [ ] Yes, St. Mary's
- [ ] Yes, University of New Mexico
- [ ] No

- [ ] I have submitted certified medical records showing a diagnosis of a compensable disease

In order for you to establish that the person who became ill contracted a compensable disease, you will need to submit certain medical documents that show a diagnosis of a compensable disease. For a complete list of the specific documents required for each illness, consult the medical records attachment at the end of this claim form.

**Have you received assistance from a Radiation Exposure Screening and Education Program (RESEP) clinic?**

- [ ] Yes
- [ ] No

Please specify which clinic assisted you (if you do not know the name of the clinic, please state the location of the clinic): ________________________________
☐ I WANT THE RADIATION EXPOSURE COMPENSATION PROGRAM TO CONTACT ONE OF THE CANCER REGISTRIES LISTED BELOW. I HAVE SIGNED THE AUTHORIZATION TO RELEASE MEDICAL INFORMATION.

Some states have cancer registries which maintain records of individuals who have had cancer diagnosed in that state. For your convenience, the Radiation Exposure Compensation Program has made arrangements with the following six states that have such registries. *If the person who became ill with lung cancer was diagnosed with that disease in any of the following states and you wish to have the Radiation Exposure Compensation Program contact that state's registry to confirm a diagnosis of this cancer, please mark the box next to the appropriate state. You will also need to complete and sign the medical release on page 14.*

☐ Arizona
☐ Colorado
☐ Nevada
☐ New Mexico
☐ Utah
☐ Wyoming

**Part 11: PREVIOUS PAYMENTS OF MONEY.**

Please answer the following question:

Have you or anyone else received any payment of money pursuant to final award or settlement on a claim (other than worker's compensation or life and health insurance) against any person (including a corporation), that is based on the illness for which this claim is submitted?

YES [ ] NO [ ]

If you checked "YES," please use a separate sheet of paper to identify the date, amount, and person or organization from whom EACH AND EVERY payment of money was received, and explain the circumstances surrounding the payment.

**NOTE REGARDING ADDITIONAL COMPENSATION AND MEDICAL BENEFITS UNDER THE ENERGY EMPLOYEES OCCUPATIONAL ILLNESS COMPENSATION PROGRAM ACT (EEOICPA):** The EEOICPA statute provides certain individuals approved for compensation under the Radiation Exposure Compensation Act with additional compensation and benefits through a program administered by the Department of Labor. Section 5 claimants, i.e., uranium miners, uranium millers, and uranium ore transporters, are eligible to receive an additional $50,000 lump sum payment plus medical benefits for the condition for which they were approved under the Radiation Exposure Compensation Act. The EEOICPA Program will provide medical benefits from the date your EEOICPA claim form is filed. Thus, it is in your best interest to file your claim form with the EEOICPA Program as soon as possible. If you would like more information about EEOICPA, you can call the Department of Labor's toll-free call center at 1-866-888-3322 or you can visit the Department of Labor's website at www.dol.gov.
Part 12: ATTORNEY REPRESENTATION.

Have you hired an attorney to represent you for the purpose of filing this claim?

YES [ ]  NO [ ]

PLEASE NOTE: You are not required to hire an attorney to file this claim. If you wish to be represented by an attorney, you are responsible for making arrangements for that attorney to be paid. Under the Act, notwithstanding any contract, an attorney may not receive more than 2 percent for the filing of an initial claim; and 10 percent with respect to any claim in which a representative has made a contract for services before July 10, 2000; or a resubmission of a denied claim. Attorneys representing claimants are required to submit a signed representation agreement, retainer agreement, fee agreement, or contract documenting the attorney's authorization to represent the claimant or beneficiary. The document must acknowledge that the Act's fee limitations are satisfied. The attorney must also submit an annual statement of the attorney's active membership in good standing of the bar of the highest court of a state, as provided in the regulations.

If “YES,” please indicate your attorney’s name, firm, address and phone number here:

MEDICAL RECORDS ATTACHMENT

Listed below are the records which the Radiation Exposure Compensation Program (RECP) will accept as proof that the person who became ill contracted lung cancer, pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis, or pneumoconiosis.

Tear off this attachment and take it to the doctor in possession of the records of the person who became ill with lung cancer, pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis, or pneumoconiosis.

Show this list to the doctor or hospital and ask them to give you original or certified copies of the required medical documentation listed below. Submit the record(s) containing a diagnosis of the disease, if possible. Otherwise, send the records below that are available. If you have any questions, call the RECP at 1-800-729-7327.

Additionally, medical documentation establishing that onset of the illness occurred after the relevant mining employment may be required. If necessary, the RECP will advise you as to what records need to be provided.

I. Lung Cancer
A. If the person with lung cancer is deceased or living, any of the following records may be submitted as proof of the disease:
   1. Pathology report of tissue biopsy, including, but not limited to, specimens obtained by any of the following methods:
      a. surgical resection;
      b. endoscopic, endobronchial, or transbronchial biopsy;
      c. bronchial brushings and washings;
      d. pleural fluid cytology;
      e. fine needle aspirate;
      f. pleural biopsy; or
      g. sputum cytology;
   2. Autopsy report;
   3. Bronchoscopy report;
   4. One of the following summary medical reports:
      a. physician summary report;
      b. hospital discharge summary report;
      c. operative report;
      d. radiation therapy summary report; or
      e. oncology summary or consultation report;
   5. Reports of the radiographic studies, including:
      a. x-rays of the chest;
      b. chest tomograms;
      c. computer-assisted tomography (CT); or
      d. magnetic resonance imaging (MRI); or
   6. Death certificate, provided that it is signed by a physician at the time of death.
II. **Pulmonary Fibrosis, Fibrosis of the Lung, Silicosis, or Pneumoconiosis**

A. If the person with pulmonary fibrosis, fibrosis of the lung, silicosis or pneumoconiosis is **deceased**, any of the following forms of medical documentation may be submitted:

1. Pathology report of tissue biopsy;
2. Autopsy report;
3. If an x-ray exists, the x-ray **and** interpretive reports of the x-ray by a maximum of two NIOSH certified "B" readers, classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the "ILO"), or subsequent revisions;
4. If no x-rays exist, an x-ray report;
5. Physician summary report;
6. Hospital discharge summary report;
7. Hospital admitting report;
8. Death certificate, provided that it is signed by a physician at the time of death; or
9. Documentation specified below in section (II)(B).

B. If the person with pulmonary fibrosis, fibrosis of the lung, silicosis, or pneumoconiosis is **living**, at a minimum the following medical records must be submitted:

**Either:**

1. An arterial blood gas study administered at rest in a sitting position, or an exercise arterial blood gas test; or
2. Written diagnosis by a physician as described in the regulations at § 79.41(p);

**And one of the following:**

3. A chest x-ray administered in accordance with standard techniques accompanied by interpretive reports of the x-ray by a maximum of two NIOSH certified "B" readers, classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the "ILO"), or subsequent revisions; or
4. High-resolution computed tomography scans (commonly known as "HRCT scans") including computer assisted tomography scans (commonly known as "CAT scans"), magnetic resonance imaging scans (commonly known as "MRI scans"), and positron emission tomography scans (commonly known as "PET scans") and interpretive reports of such scans;
5. Pathology reports of tissue biopsies; or
6. Pulmonary function tests indicating restrictive lung function and consisting of three reproducible time/volume tracings recording the results of the forced expiratory volume in one second (FEV1) and the forced vital capacity (FVC) administered and reported in accordance with the Standardization of Spirometry—1994 Update by the American Thoracic Society, and reflecting values for FEV1 or FVC that are less than or equal to the lower limit of normal for an individual of the claimant's age, sex, height, and ethnicity.
III. **Cor Pulmonale Related to Fibrosis of the Lung**

If the person with cor pulmonale related to fibrosis of the lung is *deceased*, please provide the same documentation as is required for proof of pulmonary fibrosis, fibrosis of the lung, silicosis, and pneumoconiosis in section (II)(A) above. If the person with cor pulmonale related to fibrosis of the lung is *living*, please provide the same documentation as is required for proof of pulmonary fibrosis, fibrosis of the lung, silicosis, and pneumoconiosis in section (II)(B) above.

C. **Additionally**, if the person with cor pulmonale related to fibrosis of the lung is *deceased or living*, provide one or more of the following medical records:

1. Right heart catheterization;
2. Cardiology summary or consultation report;
3. Electrocardiogram;
4. Echocardiogram;
5. Physician summary report;
6. Hospital discharge report;
7. Autopsy report;
8. Report of physical examination; or
9. Death certificate, provided that it is signed by a physician at the time of death.
